

Point-in-Time Notes for FL-511 - Pensacola/Escambia, Santa Rosa Counties CoC

Date of PIT Count: 1/22/2014

Population: Sheltered and Unsheltered Count

Notes

Due to the polar vortex our unsheltered chronic population was harder to find in this time period. We think due to this cold snap a majority of unsheltered populations were not leaving more entrenched camps that we were not able to capture with our survey. We also experienced a significant reduction in volunteers, possibly also due to the cold snap. We don't believe our chronic numbers were reduced. We did not add any new permanent housing beds to address the chronically homeless.
