Date of PIT Count: 1/22/2020

Population: Sheltered and Unsheltered Count

Notes

All Emergency Shelter and Transitional Housing Projects did not participate in the Point-in-Time Count. Some agencies did report the number of beds were occupied on the night of Point-in-Time, but did not provide demographic and hud verification information for project participants. This accounts for the discrepancy in numbers reported in the Housing Inventory Count and Point-in-Time Count.

All Homeless Populations: Households with at least one Adult & one Child

Three Emergency Shelters that serve the family population opted not to participate in the 2020 Point-in-Time Count.

They also reported with the HIC, the number of participants that occupied a bed on the night of Point-in-Time. However, an individual count collecting the participant's demographic and HUD verification information was not captured for these agencies on the night of Point-in-Time.
