

# Point-in-Time Notes for FL-511 - Pensacola/Escambia, Santa Rosa Counties CoC

Date of PIT Count: 1/23/2022

Population: Sheltered and Unsheltered Count

## Notes

The increase in the sheltered unhoused population this year is due primarily to a large increase in CARES Act funding for new emergency shelter projects, as well as better participation among shelter agencies within the CoC. Two new emergency shelters came online prior to PIT that were funded by ESG CARES, which nearly doubled the ES capacity in the CoC. Additionally, there was a large increase in funding for homeless motel vouchers through CARES. Along with the increase in funding, we saw better agency participation this year, with five new ES/TH providers participating in PIT/HIC that did not do so last year.
